The Tryangle Awards are Worcestershire's premier awards for young people...

They recognise and celebrate the effort of the real 'tryers' - the young people who achieve against the odds; the unsung heroes who show real commitment and resolve; and those who get on with things without making a fuss.

We want YOU to nominate...

Anyone can nominate a young person or group of young people - teachers and youth workers, police officers and nurses, coaches and instructors, parents and neighbours ... - and our online nomination form is simple and quick to complete.

Young people's achievements can be recognised with a **certificate of merit** or the most outstanding young people nominated to receive a unique **Tryangle Award** at our fantastic awards evening. This inspiring event will be held on Thursday 26th March 2020 at the headquarters of Worcester Bosch in Worcester.

Inspirational stories...

Previous recipients include:

- Megan – an “*inspiring*” student who two years ago would not even speak at school as she was incredibly introverted, and has now completed her Level 2 Performing Arts course and was selected for a prestigious public speaking competition.
- Charlie, aged 13, who volunteers in a local litter picking group. He convinced his entire school to take part in an environmental challenge, collecting well over 100 “eco bricks” and therefore saving a vast amount of waste plastic going to landfill.
- Mohammed, aged 13, who helped to save a pensioner's life after responding to her call for help while others walked past and ignored her.
- Chris - “*an amazing young man*” who despite his learning difficulties is adamant that he will one day attend university, and is studying hard to accomplish his goal. He was also a champion for Looked After Children and Care Leavers, and travelled throughout the county giving talks to professionals.

Award Categories

Young people are recognised in 6 award areas:

- ☆ **Bravery** - those who have shown personal courage and determination. They might have faced up to personal difficulties, dealt with tough matters at home or in the community, or volunteer for others despite having to overcome adversity or challenging circumstances.
- ☆ **Arts or Music** - for young people who have given exceptional commitment and contribution, gained an unrecognised personal achievement, or worked hard to support and encourage others to get involved in a wide range of arts including dance, film, performing arts, music and crafts.
- ☆ **Sports** - for young people who have given exceptional commitment and contribution, gained an unrecognised personal achievement, or encouraged and coached others in sport at any level.
- ☆ **Good Friends and Carers** - those who selflessly help their families and friends, and give their time and efforts to support others in need.
- ☆ **Citizenship and Environment** - for young people who show they are good citizens through volunteering within their local club or community, supporting others or promoting well-being. Also the young leaders who inspire others.
- ☆ **Personal Development** - for the determined young people who have demonstrated outstanding personal growth, often through a difficult journey to reach their personal goals.

Adult Volunteer

- ☆ This award acknowledges the outstanding contribution and effort that adult volunteers make to our clubs and communities in Worcestershire ... the people that keep the clubs going and provide fantastic support to young people.
