Chief Officer – Young Solutions Worcestershire

Based in Droitwich

Young Solutions Worcestershire is seeking to appoint a Chief Officer to continue the successes of recent years and ensure that the charity thrives in the rapidly changing environment. The post will become available at the end of 2017 when Phil Street, the current Manager, retires having successfully guided the charity over the last 7 years.

Young Solutions Worcestershire is a progressive infrastructure charity, dedicated to keeping young people throughout our county 'safe and involved' by providing advice and training, and supporting the work of our members, voluntary youth clubs, community groups and all organisations with the well-being of children and young people at their core.

Through demonstration projects it focuses on those vulnerable young people who need support to make the transition into training or employment.

Recognising the need to broaden its income base, and to use its experience to support the wider community, The Right Solutions has been launched as a trading arm of the charity. The Right Solutions works in partnership with organisations across Worcestershire and surrounding areas to ensure they keep vulnerable children, young people and customers safe from harm, neglect and abuse.

The Chief Officer will be expected to continue to develop The Right Solutions to provide sufficient income to support the core charitable activities.

Closing Date for applications is 9th July 2017.

It is expected that the interviews will be held on Wednesday 19th July 2017.
