Tryangle Awards 2018

Celebrating Inspirational Young People
in Worcestershire!

**Do you know an outstanding young person whose effort
and determination deserves recognition?**

**Someone who gives up their time for their
community | family | school | friends | club | college?**

Nominate them NOW for a Tryangle Award 2018

The Tryangle Awards are Worcestershire's premier awards for young people...

They recognise and celebrate the effort of the real 'tryers' - the young people who achieve against the odds; the unsung heroes who show real commitment and resolve; and those who get on with things without making a fuss.

We want YOU to nominate...

Anyone can nominate a young person or group of young people - teachers and youth workers, police officers and nurses, coaches and instructors, parents and neighbours ... - and our online nomination form is simple and quick to complete.

Young people's achievements can be recognised with a **certificate of merit** or the most outstanding young people nominated to receive a unique **Tryangle Award** at our fantastic awards evening. This inspiring event will be held on Thursday 15th March 2018 at the headquarters of Worcester Bosch in Worcester.

Inspirational stories...

Previous recipients include:

- Connor, who although only 11, volunteers for a Greyhounds Trust as dog walker, fundraiser (raising over £550 in one day!), merchandise stock taker and Vlogger!
- Ceileigh—an “inspirational” volunteer at Roundabout who doesn't let her severe sight impairment and mobility issues stop her being an equal team member.
- Ben who used to walk 4 miles each way to attend youth club to overcome social isolation, and now leads a Games Club for young people who (like him) are on the autistic spectrum.
- Olivia—an “excellent role model” who is one of only a few under 16's to hold a judo adult referee qualification. She coaches younger members at her club and is also European Special Needs Champion at both junior & senior levels in contest judo, amongst other achievements!

- ☆ **Sports** - for young people who have given exceptional commitment and contribution, gained an unrecognised personal achievement, or encouraged and coached others in sport at any level.
