# Tryangle Awards 2021

Celebrating Inspirational Young People  
in Worcestershire!

**Do you know an outstanding young person whose effort  
and determination deserves recognition?**

**Someone who gives up their time for their  
community | family | school | friends | club | college?**

**Nominate them NOW for a Tryangle Award 2021**

## The Tryangle Awards are Worcestershire's premier awards for young people...

They recognise and celebrate the effort of the real 'tryers' - the young people who achieve against the odds; the unsung heroes who show real commitment and resolve; and those who get on with things without making a fuss.

### We want YOU to nominate...

Anyone can nominate a young person or group of young people - teachers and youth workers, police officers and nurses, coaches and instructors, parents, carers and neighbours. Our online nomination form is simple and quick to complete.

Young people's achievements can be recognised with a **certificate of merit** or the most outstanding young people nominated to receive a unique **Tryangle Award trophy** at our fantastic awards evening. This inspiring event will be held on Thursday 25th March 2021 at Worcester Bosch. \*Subject to Covid19 guidelines at that time.

We know that this year, the ongoing Covid-19 pandemic has affected children and young people in many different ways. School premises were closed for a long period of time, meaning that pupils were working from home using remote learning, etc. Youth groups continued supporting young people via Zoom, Skype, etc. Young people quickly adapted to the restrictions and some have been helping in the local community to deliver food and other essential items to others including neighbours, friends and family. Others have held music concerts live from their homes to lift the spirits of people who have been staying at home under the Covid-19 guidance. Sports activities have also been carried out online, young people keeping fit at home, whilst raising money for various charities that have been helping others throughout this difficult time. This year we have all had to adapt to the new way of doing things to keep ourselves and others safe. This has been a challenge for many who suffer from anxiety and other medical issues, but we know that the community spirit that has prevailed throughout Worcestershire is all down to selflessness of young people and adult volunteers. **Make sure you nominate your local heroes for a Tryangle Award.**
